

Electronic Remittance Advice (ERA) & e-Remit

Key Features

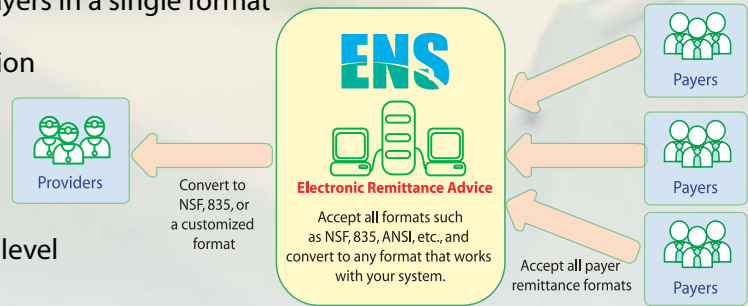

- o Eliminate manual cash application and automate the posting process
- o Eliminate costly research and errors
- o Retrieve EOB images immediately by patient indexes

Electronic Remittance Advice (ERA) Remittance Advice - Multiple Payer Remittance

Receiving Electronic Remittance Advice (ERA) automates the payment posting process. ENS converts payer remittances into a single electronic format for your accounts receivable system. Thousands of payments can be applied with ease and more accurately than ever before.

Features and Benefits

- Receive ERA data from many payers in a single format
- Eliminate manual cash application
- Increase application accuracy
- Save labor cost and staff time
- Post payments on a procedural level

ERA downloads are easy

- Displays ERA files by payer and check number
- Displays date and time the file was made available

e-Remit (Electronic Remittance)

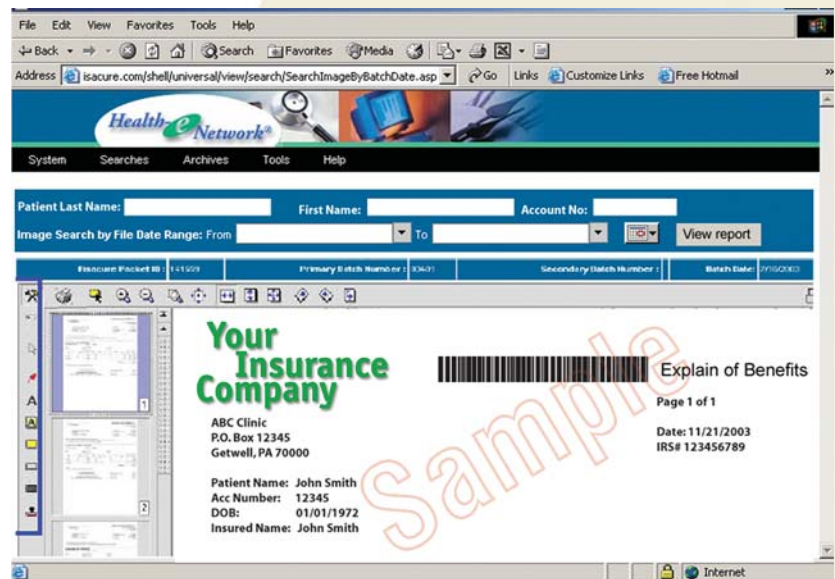

Instant Online Access to Explanation of Benefits (EOBs)

Electronic document retrieval allows authorized personnel to instantly access, view, and print EOBs online for all ERA data received. Documents can be quickly retrieved by a variety of indexes.

e-Remit Screen

Features and Benefits

- Retrieve images immediately by patient indexes
- Speed secondary claim filing
- Quickly locate documents for customer service and research
- Protect documents against damage, loss or misfiling
- Save valuable office space and document storage costs
- Unlimited access
- Get results in 48 hours
- Guaranteed security
- No software required
- Printer-friendly
- Patient-specific search results

Search features allow you to easily search EOB by:

- Patient Last Name
- Patient First Name
- Account Number
- Service Date
